#### **ARTICLE 4 -UNION ACCESS**

\* \* \*

E. UVMHC will reimburse bargaining unit employees up to a 400 combined total hours per fiscal year at the bargaining unit employee's base pay rate (not including other payments such as differentials) for VFNHP activities related to this bargaining unit ,such as investigation of grievances, training for grievance representation, collective bargaining, and Weingarten representation. Up to 200 unused hours in any fiscal year will be added to the total of the next fiscal year. If hours are exhausted in any fiscal year, the Union may use hours from the following fiscal year.

The time must be coded as Union Time for payroll purposes and will not be used to calculate overtime rate. All requests for Union Time must be submitted by the Union to UVMHC Labor Relations. Union Time is not considered work time for any purpose including calculation of overtime, night, or weekend incentive payments.

The union may request that a bargaining unit employee may take unpaid time off to participate in an arbitration related to this agreement. Such requests will not be unreasonably denied.

#### **ARTICLE 7 – NON-DISCRIMINATION**

UVMHC and the VFNHP agree not to harass or discriminate against any bargaining unit employee because of race, color, religion, national origin, sex, sexual orientation, gender identity or expression, ancestry, place of birth, age, disability, HIV status, military service or status as a military veteran as defined under applicable law, marital status, political views, protected VFNHP activities/membership, or on any other characteristic protected by law.

UVMHC will provide training for all bargaining unit employees on responding to discriminatory acts or statements made by patients or other employees. In person or remote interactive sessions will be available for these trainings.

## ARTICLE 9 – PER DIEM EMPLOYMENT

A. To be a per diem bargaining unit employee in any Imaging Technologist cost center, Respiratory Therapy, Critical Care Transport, OR, and the Emergency Department, the following minimum scheduled work commitments must be met:

1. A minimum of three hundred (300) hours per calendar year. For per diem bargaining unit employees in Imaging Technologist cost centers, Critical Care Transport, OR, and the Emergency Department, up to fifty (50) hours worked per calendar year outside of UVMHC in a position that is the same as or substantially similar to their position at UVMHC may be credited to this commitment. The total hours must include a minimum of one (1) eight-hour holiday shift per calendar year. For purposes of this article, holidays are identified as Thanksgiving, December 24, Christmas, New Year's, Memorial Day, July 4<sup>th</sup> and Labor Day.
2. Per diem bargaining unit employees in the Emergency Department must work a minimum of ninety-six (96) hours of night or weekend shifts per calendar year. These hours are concurrent with the requirement of section 1 and 2.

For bargaining unit employees who work in multiple cost centers, the requirements of this provision can be met in any combination of cost centers in which the bargaining unit employee holds a per diem position. Hours worked in regularly scheduled special, part-time or full-time positions will not count towards the above work requirements.

All hours worked shall count towards the minimum requirements. Bargaining unit per diem employees who work in units or departments that do not staff on holidays will not have to comply with the requirements in section 2.

A per diem bargaining unit employee will not be subject to corrective action for failure to satisfy the minimum commitments to work for lack of available shifts.

Prescheduled shifts that are cancelled as a result of Article 20A staffing adjustments will count toward the work requirements outlined in A.1 above.

On call hours will count towards the requirements of this section.

These requirements will be pro-rated during the first calendar year in the per diem position.

At the time of the annual calendar year review, if a per diem employee had a substantial amount of legally protected time away from work in one year that impacted their ability to meet their minimum work commitments, no separation of employment will occur for not reaching the commitments.

B. All bargaining unit per diems:

VFNHP, Technical Bargaining Unit  
Tentative Agreement  
February 24, 2023

1. Will be required to attend mandatory in-service education courses and successfully complete department competencies and mandatories. Failure to complete department competencies and/or mandatories by the prescribed due date will result in a cancellation of scheduled hours and corrective action up to, and including, termination.
2. Must maintain knowledge and skills that are consistent with current practice standards, as determined by the manager.
3. Must find coverage if they are not able to work a scheduled shift. In accordance with Article 18, Section L, per diem bargaining unit employees who consistently cancel prescheduled shifts may be subject to disciplinary action.

C. Compensation. All per diem bargaining unit employees are eligible for applicable shift differentials as per Articles 18 and 23. In addition, per diem bargaining unit employees will receive the additional hourly per diem differential as per Article 23. Differentials shall be combined when applicable for any single hour worked.

In addition to all applicable differentials, per diem employees who work at least 300 night shift hours during a calendar year will be paid an annual lump sum equal to \$3 per hour for all hours worked during the calendar year in addition to all other applicable differentials, including the differentials in Article 23(4).

D. At the discretion of the Department manager, the Summer CTO Bonus may be offered to per diem employees.

E. Any committed hours employees who requests to become a per diem in the unit they are currently employed in may do so and shall not be unreasonably denied, so long as there is a posted vacancy and the preference card process is followed according to Article 12. Respiratory Therapy, Critical Care Transport, the OR, the Emergency Department, and each Imaging Technologist cost center with at least seven (7) bargaining unit FTEs shall have a minimum of one per diem position per seven (7) FTEs.

### **ARTICLE 10A – ORIENTATION/TRAINING**

1. Each department and/or cost center will collaborate with their manager and/or supervisor to develop their department/cost center orientation/training plan, including provisions for orienting agency employees, new employees and experienced employees.
2. The department/cost center orientation/training plan for each bargaining unit employee will not be extended or shortened by the manager and/or supervisor without discussion with the employee in collaboration with the preceptor, the educator, and/or the employee providing training.
3. Bargaining unit employees undergoing their orientation/training plan shall not be given a full patient assignment independently (without preceptor, educator, and/or employee providing training) unless they are fully oriented to the location of the assignment and have successfully completed training on any competencies required by the assignment.
4. If UVMMC introduces new patient procedures or equipment, all affected bargaining unit employees shall be provided appropriate training prior to the introduction of the new patient procedures or equipment. Affected bargaining unit employees agree to attend training.
5. Cost centers that assign technical bargaining unit employees to precept new bargaining unit employees or Traveler/Agency staff may establish a preceptor training program. In those cost centers with an established preceptor training program, bargaining unit employees agree they will attend the training at their manager's request. Hours spent in a preceptor training program will be worked hours.
6. At the request of either party, the hiring of an educator in any technical bargaining unit cost center shall be added as a topic for discussion at a meeting of the Staffing Committee established in Article 20.
7. Bargaining unit employees in HIM who are in training (new role, new team, new service) shall not be required to fill in or assist with prior job duties for more than eight (8) weeks. An assignment longer than (8) weeks requires the consent of the bargaining unit employee.

**ARTICLE 11 – SENIORITY**

\* \* \*

E. Exceptions

CSR cost centers shall be combined for purposes of Cost Center Seniority, despite separate scheduling.

If a bargaining unit Imaging Technologist regularly provides services in two or more modalities and transfers to a position in a cost center that provides the service of one of their modalities, their Cost Center Seniority date shall be the date on which they started providing services in the modality of that cost center.

Bargaining unit Imaging Technologists working in Diagnostic Outpatient Radiology, who previously worked in the now-dissolved orthopedic center, shall retain their Cost Center Seniority as if they had been working in Diagnostic Outpatient Radiology.

#### **ARTICLE 15 – WORK PREFERENCE**

Preference for available bargaining unit work shall be given to bargaining unit employees over Agency/Travel employees. Bargaining unit work shall not include preference for individual patient assignments or specific work assignments. Agency/Travel employees may be utilized (i) for covering a leave of absence, (ii) for posted, unfilled vacancies, until a new hire has completed unit orientation, or (iii) for unanticipated staffing fluctuations on a temporary basis not to exceed 91 days. Agency/Travel contracts may be renewed as long as one of the above criteria remains satisfied. Agency/Travel employees shall not be used to eliminate bargaining unit positions, or to permanently replace or reduce the hours of bargaining unit positions. Prior to utilizing an Agency/Travel employee for any of the above criteria, UVMHC will offer a temporary assignment to any qualified per diem or part-time employee pursuant to Article 23.

## **ARTICLE 16 – LAYOFF / FURLOUGH / REDUCTION IN HOURS**

- A. Decision to Effect – Layoff, Furlough, or Reduced Hours
1. UVMCM recognizes that layoffs, furloughs, or reduction in hours have a significant impact on employees. Accordingly, UVMCM will exercise its right to layoff, furlough, or reduce bargaining unit employee hours only where there are no other reasonable alternatives, and UVMCM may only furlough or reduce bargaining unit employee hours upon a State or federally declared emergency, in the event of other emergent circumstances that cease or significantly limit UVMCM's normal business operations, or with the mutual agreement of the Union.
  2. For purposes of this article, a layoff is a full separation of employment or permanent reduction in hours. A furlough is a temporary reduction in hours or a temporary elimination of hours while the employee retains their employment status, benefits and seniority, together with an actual or anticipated return to work date.
  3. Furloughed employees may use accrued CTO during their furlough, but shall not be required to use any CTO. CTO may also be used to cover the employee's benefits costs. If CTO is not available, or if the employee chooses not to use it, the employee will make arrangements with UVMCM to repay the amount when the employee returns to work.
  4. Furloughs shall not exceed twelve weeks, unless agreed to by the employee, or every employee in the same job classification in the same cost center has had a twelve-week furlough, while maintaining necessary skill and ability.
  5. In cases where UVMCM is requesting a return from furlough prior to the employee's recall date, the following will occur:
    - a. UVMCM shall first ask for volunteers. Volunteers must respond within 48 hours, and will be selected in order of seniority (most to least).
    - b. If no one agrees to return sooner than their return date, UVMCM may request the least senior person to return to work within fourteen (14) calendar days from the request. Employees with extenuating circumstances (like employees who are on travel assignment, are out of the country, have child care needs, or other similar circumstances) may discuss other options with their leader. No employee will be unreasonably denied additional time to return to work. Article 17 on Recall does not apply to furloughs.
  6. In cases where circumstances necessitate a layoff of bargaining unit employees, a furlough, or a reduction of hours, UVMCM shall, except in unforeseen emergency or

disaster circumstances, notify the VFNHP in writing a minimum of fifteen (15) calendar days in advance and specify the positions so affected.

7. At the request of the VFNHP, UVMC shall meet to discuss the layoff, furlough, or the reduction, and explore alternatives.

B. Layoffs/Furloughs

UVMC shall determine the cost center, position, shift and number of FTEs or portion thereof. In such cost center, any layoff, furlough, or reduction in hours shall be done in reverse order of UVMC Seniority, in accordance with the procedure below. If two (2) or more bargaining unit employees have exactly the same UVMC Seniority, the selection shall be made using the UVMC Employee ID number. The employee with the highest number shall be laid off, furloughed, or have their hours reduced first, and so on from highest to lowest ID number.

C. Procedure

1. The use of Travel employees in a cost center selected for layoff, furlough, or reduction in hours shall first be discontinued. (See Article 15 on Work Preference.)
2. If there are temporary employees, they will be laid off, furloughed, or have their hours reduced in reverse order of UVMC Seniority.
3. Then seek relevant/applicable volunteers for layoff, furlough, or reduction in hours. If there are multiple volunteers, selection will be in UVMC Seniority order (most senior to least senior), and considering skill and ability to meet the patient care needs of the unit. Volunteers shall be eligible for all vacant positions that they are qualified to perform. Employees by cost center may propose a rotation or sharing of temporarily reduced hours and such proposals shall not be unreasonably denied.
4. If there are not enough volunteers then all probationary employees (new hires to UVMC not veteran UVMC employees who are "probationary" or "orienting" to the department or location) within the affected cost center in the affected position shall then be laid-off, furloughed, or have their hours reduced first.
5. Then bargaining unit employees with a suspension within the previous one (1) year will be selected for layoff, furlough, or reduction in hours first, then bargaining unit employees with a final written warning within the previous one (1) year will be selected. Bargaining unit employees laid off, furloughed, or with reduced hours under this provision will not be eligible for the bumping procedure outlined in Article 16.D. If a bargaining unit employee laid off,

furloughed, or with reduced hours under this provision has their suspension or final written warning overturned in the grievance process, the layoff, furlough, or reduction in hours will be rescinded.

6. Bargaining unit employees are selected in the reverse order of UVMCM Seniority. UVMCM may, however, elect not to lay off, furlough, or reduce the hours of a bargaining unit employee with the lowest seniority if the skills and abilities of that employee are required to maintain coverage in specialty areas and existing bargaining unit employees with higher seniority are not able to provide such coverage within 30 days.

D. Bumping Procedure

1. The most senior bargaining unit employee who is laid off, furloughed, or reduced in hours shall be offered any available vacant positions, excluding per diem, for which the bargaining unit employee is qualified. (At this point or any point up to #5, the bargaining unit employee may voluntarily accept any vacant position in any bargaining unit position and any Department where they are qualified.)
2. If no such comparable position (Department and shift) exists, then the bargaining unit employee must bump the bargaining unit employee with the least UVMCM seniority in the employee's Department and shift, provided that the following conditions are all satisfied:
  - a. Such individual has a lower UVMCM seniority than the bargaining unit employee exercising their bumping rights, and
  - b. That the bargaining unit employee is qualified for the position.
3. If there is no such least senior bargaining unit employee (for example, the bargaining unit employee targeted for layoff, furlough, or reduction in hours is the bargaining unit employee with the least UVMCM seniority in their Department and shift) the bargaining unit employee must bump the bargaining unit employee with the least UVMCM seniority in their Department on any shift, provided that the following conditions are all satisfied:
  - a. Such individual has a lower UVMCM seniority than the bargaining unit employee exercising their bumping rights, and
  - b. The bargaining unit employee is qualified for that position.
4. If no such position exists, they must accept any vacant position in any Department within the bargaining unit where they are qualified to perform in the position.

5. If no such position exists, they must bump the bargaining unit employee with the least UVMHC seniority in any Department providing the bargaining unit employee is qualified for that position.

For the purpose of this section, Department and cost center shall be set forth in Appendix 3

Any bargaining unit employee who, via the above procedure, accepts a position either vacant or by bumping shall be reimbursed at the same or new hourly rate and CTO accrual level, whichever is greater.

In case of multiple layoffs, furloughs, or reductions in hours the bargaining unit employee with the highest UVMHC Seniority shall exhaust the procedure first.

A bargaining unit employee affected by a bump will enter the bumping procedure outlined above.

If a bargaining unit employee refuses a position at any stage of the procedure, the bargaining unit employee waives all rights to bumping and shall be laid off and placed on a recall list or furloughed.

In a layoff, those bargaining unit employees having bumping rights or rights to vacant positions shall exercise such rights within forty-eight (48) hours upon being notified in writing of their options. In a furlough, those bargaining unit employees having bumping rights or rights to a vacant position shall exercise such rights within twenty-four (24) hours upon being notified in writing of their options.

A full-time bargaining unit employee may, but shall not be required to, bump a less senior part-time bargaining unit employee or vice versa. In bumping, the bargaining unit employee must accept the number of hours and/or shift held by the least senior bargaining unit employee.

Laid-off or furloughed bargaining unit employees may remain in the department as a per diem and shall be offered work as needed. Such bargaining unit employees shall be treated like other per diem bargaining unit employees. However, laid-off or furloughed bargaining unit employees shall return to their position upon recall. Bargaining unit employees on a recall list may work as per diem while awaiting recall.

In the case of a reduction in hours, bumping rights shall apply as for lay-offs or furloughs.

For the purposes of bumping or filling a vacant position in a layoff, a bargaining unit employee shall not be deemed qualified if they would not also be able to perform independently in the position within thirty (30) days. For the purposes of bumping or filling a vacant position in a furlough, a bargaining unit employee shall not be deemed qualified if they would not be able to perform to the level of a Travel nurse after the orientation typically given to a Travel nurse for that unit/department.

### **ARTICLE 17 - RECALL**

Recall rights shall be granted to bargaining unit employees as follows:

YEARS OF SERVICE	RECALL RIGHTS
60 Days to 1 Year	Equal to time worked
1 to 2 Years	12 Months
2-3 Years	18 Months
Over 3 Years	30 Months

Such bargaining unit employees shall have first preference for vacant bargaining unit positions that become available for which they are qualified. Bargaining unit employees shall be recalled in order of seniority. If such bargaining unit employees have full time employment elsewhere, they shall have up to fourteen (14) calendar days to report to work. Such time limit may be extended with the mutual consent of the bargaining unit employee and UVMCC.

A bargaining unit employee who accepts a recall opportunity to a position with fewer hours or via the bumping procedure excepts a job in a different department than previously held by that employee, shall remain eligible to take the first posted vacancy in the position they had previously held prior to the layoff. It is understood that it is the obligation of the affected employee to keep track of such openings and to alert the Human Resources Department when a position in their department, with the same number of hours that they previously held, is posted for recruitment.

Bargaining unit employees laid-off per the suspension and final written warning clause in Article 16 on Layoff / Furlough / Reduction in Hours will have preferential right for an interview for a position for which they are competent to perform.

## ARTICLE 18 – HOURS OF WORK / STAFF SCHEDULES

\* \* \*

### C. Meal and Rest/Break Periods

1. When workload permits, bargaining unit employees may receive one (1) consecutive fifteen (15) minute break/rest period for each four (4) consecutive hours of work. Bargaining unit employees will not be paid extra for breaks/rest periods not taken. Breaks/rest periods are considered time worked for payroll purposes. Breaks/rest periods will be coordinated according to cost center needs.
2. If workload permits, and the bargaining unit employee obtains prior approval, breaks/rest periods may be combined with meal periods or other breaks/rest periods. In the OR, bargaining unit employees with at least two (2) paid breaks/rest periods under Section 1 may combine these breaks/rest periods with their meal period.
3. Meal periods will be thirty (30) minutes without work responsibility. The payroll system will automatically deduct meal periods for bargaining unit employees working at least six and one half (6.5) consecutive hours. Meal times do not count as time worked for payroll purposes. Meal periods will be coordinated according to cost center needs.
4. If a bargaining unit employee is required to work through their meal period, the bargaining unit employee will be paid. Bargaining unit employees must inform their manager if they have worked during their meal period. Bargaining unit employees must obtain approval from their manager or designee prior to working through their meal period.
5. Breaks and/or meal times may not be used to report to work late or leave work early.

### D. Schedules

1. Schedules will be posted at least four (4) weeks before the start of a four (4) week schedule. Eight (8) weeks is the maximum number of weeks that can be posted. UVMCM is responsible for overseeing the scheduling process.
2. Eight (8) weeks should be posted before the CTO request time is pulled to build the next schedule.

3. Block schedules for bargaining unit employees will not be changed without consulting the employee.
4. Nothing in this section shall decrease an existing practice in any Imaging Technologist cost center where bargaining unit employees participate in developing staff schedules, except that no existing practice shall limit the management rights set forth in Article 6 of this agreement.

E. Scheduling Practices

The following priority will be used:

1. Bargaining unit employees with committed hours will be scheduled first.
2. Bargaining unit Per Diems will be offered the ability to pre-schedule shifts/hours according to the skill needs of that cost center for that shift. If two or more bargaining unit Per Diems with the same skill and ability request the same shift/hours, the bargaining unit Per Diem with the most cost center seniority will be given that shift/hours. Bargaining unit Per Diems may fill out an “availability form” to assist the scheduler. (See Article 9 – Per Diem for additional information.) Agency/Travel employees will be scheduled after Per Diem bargaining unit employees have completed their pre-posting process. Agency/Travel employees will be scheduled after Per Diem bargaining unit employees have completed their pre-posting process.
3. The schedule will be posted and will include a posting of the vacant shifts/hours. The schedule will have the date it was posted.
4. Any remaining vacant shifts will be offered to bargaining unit employees employed in the cost center. If the additional shift/hours creates overtime or premium pay, prior management approval is required.
5. Once the schedule is posted, bargaining unit employees from other cost centers may sign up for vacant shifts/hours. Bargaining unit employees signing up for shifts in other cost centers must have:
  - Demonstrated skill and ability to work in the cost center
  - Performed the cost center competencies
  - And are familiar with the service and its procedures.
6. Voluntary cost center on-call may be available in cost centers that do not have on-call as a condition of employment as of the effective date of this agreement. Cost center on-call will follow the on-call Article 24 and be voluntary. If a cost

center utilizes voluntary on-call, a system will be developed by the cost center to fairly distribute on-call shifts.

F. Shift Rotation

1. UVMHC will make every attempt to minimize shift rotation.
2. Prior to any shift rotation, UVMHC shall seek volunteers with necessary skill and ability first. If more than one qualified bargaining unit employee volunteers, selection will be by the bargaining unit employee with the greatest cost center seniority. If nobody volunteers, the least senior qualified bargaining unit employee will be rotated. If the least senior employee is not qualified, the least senior qualified bargaining unit employee will be chosen until the least senior bargaining unit employee is qualified. UVMHC agrees to provide training and education to help all bargaining unit employees become qualified within a reasonable timeframe.

G. Time Lapse Between Scheduled Shifts

1. There will be a ten (10) hour time lapse between shifts. Less than a ten (10) hour time lapse requires the consent of the bargaining unit employee and the manager.
2. Two (2) days off will be scheduled following a night rotation. Less than two (2) days off requires consultation with the bargaining unit employee.
3. When a bargaining unit employee works beyond their regular shift due to increased patient care needs, and there is not a ten (10) hour time lapse between shifts, the bargaining unit employee shall be given up to ten (10) hours off from work before being required to come in to work. An employee may request to make up any missed time on the following day's shift within the same pay period as long as it does not incur overtime. The bargaining unit employee may elect to use CTO or approved unpaid time off for the missed scheduled hours. The bargaining unit employee may come in before the expiration of the 10-hour rest period with the consent of both the bargaining unit employee and the manager/supervisor.

H. Maximum and minimum consecutive shifts

1. 8 Hour Shifts
  - a. Bargaining unit employees will not be scheduled for work stretches of more than five (5) consecutive days.

VFNHP, Technical Bargaining Unit  
Tentative Agreement  
February 24, 2023

- b. Bargaining unit employees who work fifty-six (56) hours per pay period or more will not be scheduled for work stretches of less than two (2) consecutive days.
  2. Shifts of more than 8 hours
    - a. Bargaining unit employees will not be scheduled for work stretches of more than four (4) consecutive days.
    - b. Bargaining unit employees who work sixty (60) hours per pay period or more will not be scheduled for work stretches of less than two (2) consecutive days.
  3. Bargaining unit employees may consent to work more or fewer shifts. Bargaining unit employees with approved block schedules that do not comply with these requirements do not need re-approval for each schedule. Managers will need eight weeks to implement any changes to block schedules, but managers will attempt to work with the bargaining unit employees to implement changes sooner.
  4. The provisions of this section H do not apply to bargaining unit Per Diems.
  5. Bargaining unit employees will not be required to work more than 12 hours in a row.
- I. Weekends
  1. In the cost centers where there is currently a weekend work requirement, the normal weekend work requirement for all full and part-time bargaining unit employees is every other weekend.
  2. A weekend, for purposes of defining a weekend off and/or a weekend worked is defined as two (2) days: Saturday and Sunday for day and evening staff; Friday, Saturday, and Sunday for night staff. The weekend work requirement may also be satisfied by working one (1) weekend shift every weekend.
  3. For cost centers where staffing permits, a weekend rotation greater than every other weekend (i.e. every 3rd weekend) is permissible. Bargaining unit employees wishing to work more than their normal weekend rotation will be permitted and not unreasonably denied.
  4. Weekend schedules will not be changed without consulting the bargaining unit employee. If weekend schedules have to be changed, UVMCC will seek volunteers first. If no bargaining unit employee volunteers, the least senior bargaining unit

employee based on cost center seniority, will be chosen to change weekends. If the least senior employee is not qualified, the least senior qualified bargaining unit employee will be chosen until the least senior bargaining unit employee is qualified. UVMHC agrees to provide training and education to help all bargaining unit employees become qualified within a reasonable timeframe.

5. Implementation of the Holiday guidelines may require a temporary change of weekend schedules. UVMHC will seek volunteers first. If no bargaining unit employee volunteers, qualified bargaining unit employees will be asked to cover the shift on a rotating basis beginning with the least senior bargaining unit employee based on cost center seniority.
6. Bargaining unit Imaging Technologists who were considered permanently removed from weekend schedules prior to the date of this Agreement shall not be chosen to work a weekend schedule for as long as the employee works in the same cost center.

J. Canceling a scheduled shift

If a bargaining unit employee is not needed to work a scheduled shift, according to the procedure in Article 20A Staffing Adjustments, UVMHC will make every effort to notify the bargaining unit employee as quickly as possible. If the bargaining unit employee does not receive any notification and shows up for work and is not needed, the bargaining unit employee will be paid two (2) hours at the rate the employee would have been paid.

  - a. These Departments will continue their current weekend scheduling practices.
  - b. Changes to the current practices must be approved by both parties, except that HIM Coding and Professional Coding will be allowed to flex their schedule within the week, provided that (i) shift differentials will be paid only if the originally scheduled hours qualified for a shift differential, (ii) flex time does not exceed four (4) hours per week unless otherwise agreed upon in advance by the employee and the manager, and (iii) the employee gives prior notice to his/her supervisor.
2. In HIM Coding (5300), Professional Coding (5807), Computed Axial Tomography (1301), Diagnostic Radiology (1311), Magnetic Resonance (1320), Nuclear Medicine (1322), and Diagnostic Ultrasound (1342), employees may voluntarily work shifts without a scheduled unpaid 30-minute meal period (i.e., "straight shifts"). The parties jointly acknowledge this scheduling practice is unique to these

cost centers. Existing bargaining unit employees in these cost centers who currently elect to regularly work straight shifts may continue this practice, as long as they are continuously employed in the same cost center. Bargaining unit employees in these cost centers who do not work straight shifts may request to work a straight shift and such request shall not be unreasonably denied. Bargaining unit employees who elect to work straight shifts acknowledge they will not receive a scheduled unpaid 30-minute meal period and will receive rest/break periods only as otherwise permitted by this Article. If a bargaining unit employee working a straight shift wishes to modify their schedule to include a scheduled unpaid 30-minute meal period, they will follow the Internal Posting/Shift Schedule Preference process set forth in Article 12(F).

#### **Side Letter – Arbitration on Permanent Removal From Weekend Schedules**

The parties acknowledge that as of the effective date of this Agreement, the Union intends on pursuing arbitration over the language in Section I(6) on permanent removal from weekend scheduling in certain Imaging Technologist cost centers. The parties agree bargaining proposals presented in the course of negotiating this Agreement will not be used as evidence at arbitration.

### **ARTICLE 18A – SCHEDULING VACATIONS/CTO**

The manager in each cost center or department will work collaboratively with the bargaining unit employees in the cost center or department to facilitate each bargaining unit employee's ability to take time off.

The bargaining unit employee and the manager in each cost center must mutually agree upon the seniority list as written and posted. UVMCC will provide the department seniority lists to each cost center. The manager and the unit steward will work together to insure the accuracy of the list.

Each cost center or department will use either the Rolling Sign Up (see Section A below) or the Seniority Sign Up (see section B below). The bargaining unit employees in each cost center or department shall determine which system to use based on a majority vote. Cost centers or departments may change the process no more than one time per year. If an election is requested by bargaining unit employees in a cost center or department, the VFNHP and UVMCC will work collaboratively to establish and conduct the voting process within 60 days of such request. Any transition to a different process will recognize time off that has already been granted.

During the period between the beginning of either rolling or seniority sign up and the posting of a schedule pursuant to article 18(d), employees shall be permitted to receive approved time off as follows:

- In Transport, one employee per discipline (EMT, paramedic), per day;
- In Respiratory Therapy, two employees per shift.
- In all other cost centers:
  - 24/7 cost centers, at least one employee per shift
  - Non-24/7 cost centers, at least one employee per day
  - Cost centers with 25 or more FTEs, at least one additional employee per day.
- None of these requirements shall decrease existing practice.

An employee with an approved vacation will not have their vacation denied because of a change in their shift/schedule.

The processes outlined in this article may be done electronically, where the appropriate platform exists.

B. Seniority Sign-Up

\* \* \*

6. After the Seniority Sign-Up Procedure

\* \* \*

e. When creating the schedule, designated seniority sign up requests will be guaranteed over first-come, first serve time off requests submitted after the seniority sign up period. For example, if a bargaining unit employee with approved vacation time is unable to take that vacation (e.g., separation of employment, another form of leave, such as family medical or sick, etc.), and such inability is known prior to posting of the schedule, then the next most senior employee who had requested the time during seniority sign up will be able to take that time as vacation.

## ARTICLE 18B – SUMMER CTO BONUS

Summer CTO Bonus program for Not Taking CTO Vacations during June, July and August.

1. In technical bargaining unit cost centers with at least ten (10) bargaining unit FTEs, at least two Summer CTO Bonuses shall be offered. In all other cost centers, at least one Summer CTO Bonus shall be offered. Bargaining unit employees who are interested in being considered for these Summer CTO Bonuses must notify their manager by August 15<sup>th</sup> of the prior year. Before September 1<sup>st</sup>, managers will inform bargaining unit employees if they will be eligible to participate in these Summer CTO Bonuses.
2. Managers may offer additional bonuses to bargaining unit employees at any time between August 15<sup>th</sup> of the prior year and April 15<sup>th</sup>. After offering an additional bonus, managers will provide bargaining unit employees a signup period of no less than 15 days to express their interest in the program. Managers will inform bargaining unit employees if they will be eligible to participate in the additional bonus within 15 days after the end of the signup period.
2. Participating bargaining unit employees who meet the following requirements will receive a bonus of \$1500. The bargaining unit employee must:
  - Have been informed by their manager that they are eligible to participate in the summer CTO bonus program;
  - Not take more than two (2) consecutive scheduled shifts as CTO in June, July and August; and
  - Not take more than a total of three (3) days of CTO in June, July and August. The bonus will not be denied as a result of a single absence which does not exceed 4 hours. Use of CTO on July 4 (Independence Day) will not count toward this total.
3. The bonus is based on bargaining unit employees who are authorized to work 72 or more hours per pay period. Bargaining unit employees who are authorized to work less than 72 hours per pay period will have the CTO Bonus payout pro-rated, based on an 80-hour pay period and their authorized hours per pay period as of June 1. CTO hours taken in compliance with Section 2 above will count as hours worked for purposes of this Section.
4. Per Article 20A of this agreement, if a bargaining unit employee is asked to take time off, and that bargaining unit employee is on the Summer CTO bonus program, those lost hours will not be counted against the total CTO taken during these months.
5. The payment for the bonus will be made in the check following the first full pay period after the program is concluded.

VFNHP, Technical Bargaining Unit  
Tentative Agreement  
February 24, 2023

6. Per Diem Summer Bonus. Per diem bargaining unit employees will be eligible for a summer bonus of \$1500 if they meet all of the following requirements:
- Indicate a desire to participate in this program to their manager, and the manager confirms there is a need, on or before April 1 of each year.
  - Sign up for shifts before the posted schedule is up (see Article 18.E.2) for at least 416 hours of time during the months of June, July and August.
  - Actually work 416 hours during the months of June, July and August. Credit will be given for any hours not worked because of staffing adjustments made in accordance with Article 20A, Section B.

Credit for per diem summer bonus hours will run concurrent with credit for the per diem requirements in Article 9.

7. Night and/or Weekend Shift Work. Any bargaining unit employee who is participating in the Summer CTO Bonus program will receive an additional \$1000 if they meet all of the relevant above qualifications and a majority (greater than 50%) of their hours worked during the months of June, July, and August are worked on hours eligible for a night or weekend differential, per the schedule set forth in Article 23.

## ARTICLE 19 – OVERTIME

\* \* \*

### F. Urgent Pay

Urgent pay is specifically designed to provide additional compensation for non-exempt bargaining unit employees who work additional hours when unusual circumstances occur. Eligible bargaining unit employees providing direct patient care will be paid urgent pay hours at a rate of two (2) times the bargaining unit employee's base rate. If the unit needs additional bargaining unit employees within twelve (12) hours from the start of the shift, urgent pay must be offered except in the following situations:

1. Per diem bargaining unit employees must have worked at least 24 non-urgent hours in a pay period to be eligible for urgent pay.
2. Any bargaining unit employee who misses scheduled work is not eligible for urgent pay during that same pay period. However, urgent pay will not be denied in any pay period for a single absence which does not exceed four and one-half hours.
3. Any bargaining unit employee is ineligible for urgent pay if a manager has attempted to offer the work to the bargaining unit employee prior to twelve (12) hours before the shift.

If a shift is identified as eligible for urgent pay, the entire shift will be paid as urgent pay.

## **ARTICLE 20 – STAFFING**

High quality patient care and service excellence is the shared goal of UVMHC and VFNHP. UVMHC and VFNHP agree that staffing UVMHC with the appropriate number of skilled, reliable employees is an essential element for the provision of quality patient care and service excellence. Additionally, the healthcare professionals and the administration working in the only academic health center in Vermont recognize their societal obligation to provide safe, high quality care to patients who seek care at UVMHC.

UVMHC and the VFNHP agree that patient care should be patient centered, always according the patient the highest respect and acknowledging the individual as an informed, discriminating consumer. Care is competent, effective and collaborative. It respects the patient's values, preferences and needs. UVMHC and the VFNHP also agree that department staffing must consider the importance of ensuring that the quality of the employee's work life is appropriate, based on findings where it has been shown that the quality of work life has an impact on the quality of care delivered.

To that end, the Staffing Committee established by the July 10, 2003 Collective Bargaining Agreement with nurses shall be enlarged to include two (2) representatives from this bargaining unit and two (2) administrators of employees in this bargaining unit.

In addition, if UVMHC and the VFNHP agree that it would be beneficial for a department to have a council or committee, UVMHC and the VFNHP will meet to set up the parameters for such a council or committee.

UVMHC shall continue to work with the VFNHP to ensure that written policies, procedures and protocols affecting staffing are reviewed with the VFNHP and are readily available to bargaining unit employees.

In the event that any bargaining unit employee believes in their professional opinion she/he has been given an assignment that is unsafe, or that in their opinion endangers patient care, jeopardizes compliance or compromises professional standards they will immediately notify their supervisor or designee. The supervisor or designee will review the assignment at that time. If the bargaining unit employee disagrees with the review of the assignment, she or he will work as directed and may do so under protest. She/he may fill out a "Concern Form" which will be provided by the VFNHP. It will reflect the bargaining unit employee's name, shift, department, supervisor she/he submitted the form to, the date and description of the incident, and the supervisor's response. Nothing in this paragraph shall limit the rights of bargaining unit employees under the Healthcare Whistleblower's Protection Act, 21 VSA § 507.

## ARTICLE 20A – STAFFING ADJUSTMENTS

\* \* \*

B. During periods of low census or lack of work due to technical failures or other reasons, the normal workday and/or workweek may be decreased. The below priority will be used. For bargaining unit employees, unless otherwise stated below, cancellation will be by seniority, subject to maintaining staff of necessary skill and ability.

1. **Traveler/Agency Employees Float:** Traveler/Agency employees will be floated if a need has been identified and the traveler has the necessary skill and ability.
2. **Urgent Shifts Cancelled:** Bargaining unit employees working urgent pay shifts will be cancelled. Prior to being canceled, an employee who is currently working may choose to forego urgent pay and remain at work for the appropriate pay category. This may be straight pay, but could also be overtime or another pay category. Cancellation will then continue as described in the sections below, except that if the employee's new pay category calls for volunteers and there are an insufficient number, the employee may be canceled as if they remained in this pay category.

Employees who do not receive a cancellation notice and show up to work the urgent shift will be paid two (2) hours of courtesy urgent pay.

3. **Other Incentive Shifts (if in effect):** Bargaining unit employees working any other incentive shift will be cancelled. Prior to being canceled, an employee who is currently working may choose to forego incentive pay and remain at work for the appropriate pay category. This may be straight pay, but could also be overtime or another pay category. Cancellation will then continue as described in the sections below, except that if the employee's new pay category calls for volunteers and there are an insufficient number, the employee may be canceled as if they remained in this pay category.

Employees who do not receive a cancellation notice and show up to work the urgent shift will be paid two (2) hours of courtesy incentive pay.

4. **Called-In/On-Call and Called-In/Not-On-Call Cancelled:** Bargaining unit employees working Called-In/On-Call shifts will be cancelled, but shall remain on-call. Bargaining unit employees working a Called-In/Not-On-Call shift may be cancelled before one working a Called-In/On-Call shift.

## ARTICLE 28 – CERTIFICATION

### A. Certifications

1. Expenses are not reimbursable by UVMCC for certifications and recertifications required by law for any position. Expenses are the responsibility of the bargaining unit employee.
2. Expenses will be paid by UVMCC for all certifications and recertifications required by UVMCC (and not covered under Section A.1 above).
3. Expenses may be reimbursed according to Section C.2 below for certifications and recertifications providing professional enhancement (and not covered under Sections A.1 and A.2 above). The certification must be in the employee's current practice area and approved by the employee's supervisor/manager as a professionally recognized exam.
4. Expenses for any certification fees or costs incurred prior to the date of hire will not be reimbursed by UVMCC for new bargaining unit employees.

### B. Eligibility

1. UVMCC will pay for certification and recertification costs covered under Section A.2 above for full-time, part-time and per diem bargaining unit employees following successful completion of the probationary period.
2. UVMCC will reimburse for approved certification and recertification exam fees covered under Section A.3 above for full-time, part-time and per diem bargaining unit employees after six (6) months of employment.

### C. Procedures for Reimbursement

1. For certifications covered under Section A.2, the bargaining unit employee's manager/supervisor will coordinate with the bargaining unit employee for documentation as to the cost of the exam or re-certification. UVMCC will cover the cost of the exam fee through the employee's cost center budget. Reimbursement will be limited to two (2) exam fees for each required certification.
2. For certifications covered by Section A.3, the bargaining unit employee must obtain manager/supervisor approval for the exam cost. The employee must submit an approved tuition/certification application and a copy of the certificate and documentation as to the cost of the exam or re-certification to Organizational Development for reimbursement (a courtesy copy must also be given to the bargaining

unit employee's supervisor/manager). All paperwork must be submitted in the same fiscal year in which the exam was taken.

- a. Reimbursement is limited to \$500 per bargaining unit employee per fiscal year. Per diem bargaining unit employees will be reimbursed on a pro-rated basis, determined by the bargaining unit employee's paid hours during the preceding 12 months prior to the exam date. This amount includes certification exam costs and re-certification fees, review courses, study materials/books and CEUs, including online CEUs, so long as these items are directly related to certification or recertification.
- b. A bargaining unit employee may have multiple certification exams reimbursed if they are in the employee's current practice area and meet all eligibility requirements up to the maximum allowed for an individual reimbursement amount in the fiscal year.

#### D. Off-Site Work On Mandatories

With prior approval for scheduled time from their manager, bargaining unit employees may complete mandatories off-site and such scheduled time will be paid.

### **Article 20B – Unit Staffing Collaboratives**

Upon completing the Unit Staffing Collaboratives (USC) Project for Imaging Technologists, at the request of either party, the parties shall meet to negotiate the facilitation of the USC Project in any other specific department or cost center within the technical bargaining unit per the terms of this Article.

The parties agree that the VFNHP and UVMC will develop a partnership so that the VFNHP will become integrated and involved in decisions related to the staffing model of each unit/department. Therefore, the parties agree that they will facilitate the Unit Staffing Collaboratives (USC) Project with the intent of creating a collaborative culture, reducing financial impact and building a systems-wide approach to staffing. If either UVMC or the VFNHP requests a mutually agreed upon neutral facilitator to work with UVMC and the VFNHP to refine the design and implementation of the USC Projects, the costs of the facilitator shared equally between UVMC and VFNHP.

Each unit committee will be staffed by four (4) representatives selected by the bargaining unit members on the unit and two (2) UVMC administrators. For ambulatory committees, a minimum of one (1) administrator with an active license or certification to perform the duties of the bargaining unit must be selected.

The following factors will be considered in each USC Project and the results of the USC Project will be summarized in each final report:

- Unit profile
- Minimum staffing levels
- Analysis of time spent by bargaining unit employees on tasks related to patient care versus non-direct patient care
- The maximum patients or exam type being performed in a department, broken down by shift.
- Analysis and recommendation of acuity process and/or tool
- Analysis and determination for Circulating bargaining unit employees to enable Circulating bargaining unit employees to facilitate meal/break coverage and assist in all critical, procedural and acute care units
- Staffing effectiveness data (see Article 20), including unit specific quality data
- Unit-specific quality data, including unit-based improvement initiatives
- Staffing plan (grid) that includes patient care staffing of bargaining unit employees and ancillary staff where appropriate
- Staffing data, including the unit budget
- Completed studies and issue review of patient and staff safety from independent or UVMC based committees.
- Financial impact of the proposal
- Metrics to be used to measure the effectiveness of the USC Project

The parties agree to act in good faith to ensure all units will have staffing grid plans within 18 months of execution. Units with an existing grid will abide by that until revised or superseded to this process. Areas of focus to be prioritized include units/departments without established staffing plans/guidelines.

The USC Project plan must be completed and submitted to the appropriate UVMVMC Vice President and President the VFNHP, or their designees, within three (3) months of completion of project. The manager will make reasonable time available for the committee to work on the written plan. Staffing plans developed under this Article 20B shall require approval by both the appropriate UVMVMC Vice President and President of the VFNHP, or their designees. A decision on the memorandum of agreement shall be made within three (3) months of the submission of the final report. A failure to reject the plan or provide specific reasons for the rejection by either party within three (3) months of submission shall be considered acceptance. Where a final USC Project plan is rejected in good faith by either party, the USC committee shall reconvene and submit a new final report within three (3) months. Either party may initiate mediation following the rejection of a report.

During the USC Project plan process, at a time determined by all parties, each unit will create a timeline for implementation of their plan. During the USC Project plan process, at a time determined by the joint facilitator, each unit will perform a “transparency check” from which to gauge the feasibility of the project as planned to date, and make adjustments as deemed necessary by the group (inclusive of UVMVMC and the VFNHP). Most current budget and staffing related data will be available for the “transparency check.” Except for extreme circumstances, each USC Project plan will be implemented no later than three (3) months after the implementation date identified in the timeline, subject to approval of the memorandum of agreement.

Each unit upon completion of the process will have its USC Project plan as a side letter to the collective-bargaining agreement. The budgets for each unit will promptly be conformed to the standards and staffing developed in the USC Project plan.

Following the implementation of USC Project plan, the unit committee will continue to meet monthly, unless there is mutual agreement to meet every other month. The committee shall review progress of the staffing grid, submit changes to Staffing Committee for approval, review any Concern Forms filed, and prepare quarterly reports to Staffing Committee.

If a unit experiences changes that necessitate modifications in the USC Project plan, the VFNHP and UVMVMC agree to meet and confer about re-opening the USC Project plan process as outlined in this article. Criteria for re-opening a USC Project process:

- Substantial changes in acuity, type of patient, service, or facilities.

VFNHP, Technical Bargaining Unit  
Tentative Agreement  
February 24, 2023

- Significant new evidence related to research used in the USC Project process on staffing models potentially impacting patient outcomes, or significant evidence indicating changes in patient treatments and care.

UVMHC will provide a bulletin board in a public area to showcase the work of the USC Project process. Material for the bulletin board will be provided by the units that most recently have completed a USC Project process or other units as agreed upon by the USC Project process. Materials must be approved by both UVMHC and the VFNHP.

Compliance with agreed-upon USC Project plan is subject to Article 40, Grievance & Arbitration, except that the parties agree to participate in non-binding mediation before proceeding to arbitration.

## ARTICLE 21 - FLOATING

The parties agree that in the interest of patient care and the delivery of excellent service, all bargaining unit employees assigned to a particular department are properly trained, oriented, and familiar with the general policies and procedures of that department. ## ARTICLE 23 - DIFFERENTIALS

A. Hourly bargaining unit employees will receive differential pay in addition to their base rate for all hours worked on evening, night, or weekend shifts.

### Shift Definitions:

#### 1. Evenings

All worked hours between 3:00 p.m. and 11:00 p.m., if the shift includes at least four hours between 3:00 p.m. and 11:00 p.m. or the entire shift is within the designated shift time period. Bargaining unit employees will be paid an hourly differential of two dollars and fifty cents (\$2.50). Effective the first full payroll period in FY24, the differential will increase to two dollars and seventy-five cents (\$2.75).

#### 2. Nights

All worked hours between 11:00 p.m. and 7:00 a.m., if the shift includes at least four hours between 11:00 p.m. and 7:00 a.m., or the entire shift is within the designated shift time period. Bargaining unit employees will be paid an hourly differential of six dollars (\$6.00). Effective the first full payroll period in FY24, the differential will increase to six dollars and fifty cents (\$6.50).

#### 3. Weekends

Worked hours between the beginning of the night shift (11:00 p.m.) on Friday and the conclusion of the evening shift (11:00 p.m.) on Sunday, bargaining unit employees will be paid an hourly differential of three dollars and fifty cents (\$3.50).

Weekend Shift Incentive: For the duration of this Agreement, bargaining unit employees in CSR cost centers meeting the eligibility criteria will receive a quarterly bonus of 3.5% of gross wages. When an evening shift or night shift is worked during the period designated as eligible for weekend differential, both applicable differentials will be paid.

#### 4. Per Diem

When working as a per diem, bargaining unit employees will be paid an hourly differential of two dollars (\$2.00).

#### 5. Charge

UVMHC shall pay a charge differential in all Imaging Technologist cost centers, Cost Centers 6100 and 6109 (CSR), Cost Center 1474 (Respiratory Therapy) and Cost Center 1053 (Emergency) to bargaining unit employees who are designated to assume the charge role. A charge differential of \$3.00 per hour is paid for all hours worked in the charge role.

6. Floating

All bargaining unit employees who make a commitment to volunteer to float to a different unit and are qualified to do so will be paid an hourly differential of two dollars (\$2.00) for all hours worked while floating, if they work at least four (4) consecutive hours on the other unit.

7. Respiratory Therapist Transport

UVMHC has a practice of paying a Respiratory Therapist Transport differential for “external transports” – when a respiratory therapist accompanies a patient in a UVM HealthNet Transport ambulance to or from UVMHC. The differential is 100% of the employee’s base hourly rate of pay. This rate is in effect starting when the transport leaves and ending when it returns. When a therapist does an external transport which extends beyond their scheduled shift and meets the requirements of their overtime rule, they will be paid 1.5 times their “transport” rate of pay.

8. Emergency Vehicle Officer

UVMHC has a practice of paying an Emergency Vehicle Officer differential of \$130 per pay period to an UVM HealthNet Transport employee for performing vehicle maintenance duties.

9. Temporary Assignment Bonus

Any per diem or part-time employee who agrees to a full-time or part-time temporary assignment for a limited, pre-determined, pre-scheduled duration of at least eight (8) weeks will receive a lump sum bonus at the conclusion of the temporary assignment. For a temporary assignment of 72 hours/pay period or greater, the lump sum bonus will equal \$300 per pay period. For a temporary assignment of less than 72 hours/pay period, the lump sum bonus will be prorated to reflect the additional hours assigned to the employee. To receive the lump sum bonus, the employee must not miss more than three (3) scheduled days during the assignment. Cost center seniority shall determine selection among qualified applicants for temporary assignments. Hours worked by per diem employees during a temporary assignment will still count as per diem hours under the provisions of Article 9.

10. End of the Day in Ambulatory Clinics and non-24/7 Procedural Areas

When a bargaining unit employee in an ambulatory clinic or a non-24/7 procedural area is required to work past their regularly scheduled shift for a direct patient care issue that requires the scope and skill of the bargaining unit employee, which cannot reasonably be reassigned, the bargaining unit employee will be paid a differential that is 100% of their base hourly rate for all hours worked past their scheduled shift.

11. Preceptor Differential

VFNHP, Technical Bargaining Unit  
Tentative Agreement  
February 24, 2023

Effective the first full payroll period in FY24, UVMHC shall pay a technical bargaining unit employee assigned by UVMHC to act as the assigned preceptor for a new department employee from the technical or nurse bargaining unit during that employee's orientation period or for Traveler/Agency staff. The differential shall be two dollars (\$2.00) per hour for all hours worked while performing this role. This differential will also apply when an employee in the charge role is precepting another employee to take on the charge role. UVMHC will select preceptors based on skill and ability. Employees may be required to attend preceptor training in order to qualify for preceptor pay.

12. Other Differentials

To the extent there is a past practice of paying any other differentials that were not discussed in any way during negotiations, UVMHC will pay bargaining unit employees such differential consistent with past practice.

## **ARTICLE 24 - ON-CALL / CALL-IN**

A. An hourly bargaining unit employee who is designated as on-call receives the on-call stipend and call-in premium when the policy guidelines are met. Pagers will be made available to bargaining unit employees designated as on-call and is the preferred mode of contact. To receive the on-call stipend and call-in premium compensation, an hourly bargaining unit employee must:

1. Be employed in a department with an approved on-call program;
2. Be officially designated as on-call;
3. Be reachable by telephone or page during the assigned on-call period;
4. Restrict person travel to permit immediate availability;
5. Respond by phone with ten (10) minutes when notified by pager;
6. Arrive within thirty (30) minutes after received the call unless the department specifies a different timeframe on its On-Call Management Plan.

B. On-Call Stipend

1. Compensation in the form of a stipend will be paid for the entire on-call period at six dollars (\$6.00) per hour. Effective in the first full payroll period in FY24, the amount will increase from \$6.00 to \$7.00. The stipend will be paid even when a bargaining unit employee is called in to the work site.

Bargaining unit employees who are on call for at least one hundred fifty hours in a calendar quarter will be paid a premium of an additional three dollars (\$3.00) per hour, to be paid in the first full pay period following the end of the quarter.

2. If a bargaining unit employee who is scheduled to be on-call is asked to remain at work immediately following his/her regular shift, she/he will be compensated at a rate equal to one and a half (1 ½) times the bargaining unit employees base hourly rate and the on-call stipend will be paid. The time will be considered "Called In-On-Call." It will not be counted as overtime compensation, but the hours will count towards eligibility for overtime compensation. In this situation, the bargaining unit employee will not receive any travel time, and there is no two hour minimum.
3. Bargaining unit employees who fail to meet any of the requirements of section A above will not be compensated for the assigned period of on-call and may be subject to disciplinary action.
4. Preference for on-call shifts will be given to bargaining unit employees over Traveler/Agency staff.

C. Call-In Premium

When a bargaining unit employee is called to the work site to perform required procedures, compensation in the form of a premium rate will be paid under the following guidelines:

1. A bargaining unit employee will receive call-in premium pay equal to one and one half (1.5) times the bargaining unit employee's base hourly rate for a minimum of two (2) hours to a maximum of actual hours worked.
2. If a bargaining unit employee is called in prior to the start of their regular shift both the on-call stipend and premium pay will cease at the start of the bargaining unit employee's regular shift.
3. If a bargaining unit employee is on call for a scheduled holiday, CTO may be used for that scheduled shift. CTO hours will not be used for any hours that the bargaining unit employee is called in to work.
4. Bargaining unit employees called in are eligible for applicable differentials without application of the four hour minimum requirement.

#### D. Travel Time

There will be a one-half (1/2) hour credit for travel time for each call-in occurrence. This credit is added to the actual on-call hours worked for each occurrence to establish the total on-call paid hours. If the actual hours worked plus the one-half (1/2) hour travel credit is less than two (2) hours, only the two (2) hour minimum will be paid.

#### E. Rest Period

1. A ten (10) hour time lapse will be scheduled between shifts.
2. A less than ten (10) hour time lapse between shifts requires consent of the bargaining unit employee.
3. Whenever possible, call may not be scheduled directly after or immediately before a bargaining employee's scheduled shift.
4. Imaging Technologists shall not be scheduled for more than three (3) consecutive on-call periods of sixteen (16) or more hours.

#### F. Called-In, Not On-Call

Bargaining unit employees called in while not designated as on call will receive hourly pay equivalent to twice their hourly rate for a minimum of two (2) hours, travel pay as outlined above, and all applicable differentials. Bargaining unit employees will be expected to remain working on site for the entire two (2) hour period.

#### G. Sleep Rooms

Sleep rooms may be provided, if available, free of charge, for bargaining unit employees

Employees scheduled for a shift designated as Called In-On Call 2X will be paid a call-in premium if called in to work of two times the employee's base hourly rate for a minimum of two to a maximum of actual hours worked. This side letter may be reviewed again at the conclusion of the temporary time period and may be extended upon mutual agreement of the parties.

D. There will be no pyramiding of overtime pay.

E. All bargaining unit employees' religious beliefs will be respected by UVMHC and, in accordance with applicable law, UVMHC will make reasonable accommodations to allow any bargaining unit employee to perform or engage in the observance of their religion, including the observance of Religious Holidays in addition to those listed above.
