

Article 32 - Combined Time Off

A. The Combined Time Off (CTO) program provides bargaining unit employees with paid time off consistent with their position and length of service and encourages flexibility in usage of paid time off through scheduled and unscheduled absences, as well as a cash-in provision.

All full-time, part-time and regularly scheduled special bargaining unit employees are eligible to accrue CTO hours.

1. Eligible bargaining unit employees will begin accruing CTO from the start of employment or the effective date of entering an eligible status.
2. Eligible bargaining unit employees accrue CTO each pay period on the basis of paid hours. The maximum number of paid hours on which CTO is accrued is eighty (80) hours per pay period.
3. CTO is not accrued on workers' compensation, CTO cash-in, Flex Time Off (FTO), short-term disability, long-term disability, leaves of absence or during an unpaid absence.
4. The accrual rates for eligible bargaining unit employees are based on length of continuous eligible service and position classification.
5. The maximum amount of CTO hours that can be accrued in a bargaining unit employee's CTO bank is one and one-half (1 1/2) times the individual bargaining unit employee's annual accrual. Once this amount is reached, no more CTO hours will be accrued until the CTO hours in the bank are below this maximum amount. The maximum allowed accrual is prorated for part-time bargaining unit employees based on their standard hours.
6. When a bargaining unit employee's authorized hours are reduced, her/his CTO bank will be compared to the new maximum CTO allowed. If the CTO hours bank is over the new maximum, the excess CTO hours plus two (2) pay periods' worth of CTO accrual hours (based on the new accrual rate) will automatically be cashed out to make the bargaining unit employee's CTO bank below the new maximum. This will allow the bargaining unit employee to continue to accrue CTO hours. This payment will be included in the next paycheck. This cash out does not affect the bargaining unit employee's eligibility for the CTO cash-in (see CTO Cash-in Section).

- B. Use of Combined Time Off (CTO)
 1. Paid Time Off for bargaining unit employees:

CTO will be used for scheduled absences including holidays, planned personal days and all unscheduled absences. CTO must be used to supplement a bargaining unit employee's worked hours so that the total paid hours in any pay period are equal to his/her authorized hours, except in cases required by law. CTO hours may not be used to cover cancelled extra shifts. If a bargaining unit employee has a scheduled

absence due to union related work, the Union may request that she/he get paid out of the union bank of hours instead of his/her CTO bank. Such requests shall not be unreasonably denied.

2. Holidays:

CTO will be used when a bargaining unit employee's regularly scheduled workday falls on a UVMMC designated holiday. CTO is not used when a bargaining unit employee is not regularly scheduled to work the holiday. Each calendar year, bargaining unit employees may elect to take up to two (2) unpaid holiday days without using CTO.

3. New Bargaining Unit Employees:

Eligible bargaining unit employees will accrue CTO hours from the date of hire.

4. Upon termination a bargaining unit employee will be paid for all CTO remaining in her/his CTO bank at one hundred percent (100%) of its value, and in accordance with tax laws and IRS regulations. The value is calculated using the bargaining unit employee's base rate.
5. For use of CTO time when bargaining unit employees are sent home during periods of low census, see Article 20A.

C. CTO Cash-In

Each December, a full or part-time bargaining unit employee can elect to cash-in accrued CTO hours during the following calendar year based on UVMMC's Combined Time Off (CTO) Cash-In Program. This program allows bargaining unit employees to cash in unused CTO hours based on the program parameters.

1. To elect CTO cash-in for the following calendar year the bargaining unit employee must make an election to do so during the Open Enrollment period. This election will include the cash-in date (selected from pre-established quarterly dates) on which the payment will be made.
2. In a calendar year, the bargaining unit employee may cash in no more than her/his biweekly-authorized hours, (as indicated in the HR database on January 1).
3. The election is binding for the full calendar year and cannot be changed. The elected CTO hours will be deducted from the bargaining unit employee's accrued CTO bank January 1st, regardless of when the actual cash-in occurs. Any hours to be cashed in must be available on January 1.
4. In order to take advantage of this Cash-In feature, the bargaining unit employee must have a minimum of forty (40) hours of accrued CTO remaining in her/his bank after the elected and approved CTO hours have been deducted. In determining if the forty (40) hours minimum will be remaining in the bargaining unit employee's bank, the bargaining unit employee must take into account any CTO sold through the *FlexCare* Benefit Program and any CTO hours taken during the holiday time at the end of each year.
5. The value of the bargaining unit employee's CTO hours will be set as of January 1st, regardless of when the actual cash in occurs.
6. If the bargaining unit employee terminates employment prior to receiving all the approved elected cash-in hours, the hours will be paid out in conjunction with the final paycheck.

D. If UVMMC improves the CTO benefits for non-bargaining unit employees during the term of this Agreement, such improvements shall also be applied to the CTO benefits for bargaining unit employees.
